Privacy Policy

Musica Canis Avem does not sell advertising. We do not collect, share, or sell data on our visitors or customers. We collect information provided on entry forms for the Gibbons Prize Competition, but we do not share it.

We do not directly use or do business with companies such as Facebook, Google, and Twitter which are in the business of collecting and selling data on private behavior.

Some of the videos posted here are carried on YouTube. While we have no business relationship with YouTube or its parent company Google (Alphabet), our collaborators may distribute their performances on YouTube. Visitors may therefore link from our site to YouTube and should thus review YouTube's privacy policy.

We offer scores of our original music and arrangements for sale through our retail partner Strings By Mail (SBM). If visitors link to SBM, they will leave our site. SBM is a trusted, well-known, twenty-year old vendor which handles credit card transactions, shipping, and downloads for our products. Please review SBM's privacy policy at <https://www.stringsbymail.com/privacy.html>.
